Mr. Rutherford,

I'm sorry for the delay in getting back to you, and thank you for your patience. DTSC is still processing the request, and will thus need a few more weeks before it can complete its response to your PRA request. My initial estimate of the timeline underestimated the time required to retrieve and review potentially responsive records.

Regards,

Arthur

EXTERNAL:

Dear Mr. Pugsley,

Thank you for your response to my PRA request. You committed to provide the requested communications with Dan Hirsch by July 7th. I think 3 1/2 months should be more than sufficient for this simple request unless the communications are too voluminous and/or too "sensitive."

I eagerly await you meeting your commitment.

Sincerely,

Phil Rutherford
