Hi Thanne,

I note that DTSC is planning a virtual meeting on November 30. So far, no subject has been identified.

<https://dtsc.ca.gov/event/santa-susana-field-lab-ssfl-public-meeting/>

Please plan on providing DTSC's written evaluation of my 2010 AOC proposal before the meeting and addressing the proposal during the meeting. Please address my specific technical, regulatory and legal objections to the AOCs.

Thank you.

Phil
