Hi Phil,

Thank you for providing additional context to your request in an effort to narrow the scope of our search for potentially responsive documents. We will focus our search to those unpublished communications regarding Daniel Hirsch's direct and indirect influence on DTSC related to the topics you included in the second bullet-point list in your original request. As Anaeis mentioned, we are planning to provide you with a further response by April 28, 2025.

Best,  
Paige
