Subject: RE: HQ-2024-01615-F FOIA Final Response

Dear Ms. Mazur and Mr. Burns,

Thank you for your communication below. However, I am puzzled how DOE believes that a letter dated January 28, 1999, could be responsive to my original request for a letter from Senator Feinstein to Secretary Richardson, dated May 5, 1999, plus his subsequent reply.

My original request is at ...

https://philrutherford.com/SSFL/Feinstein/2024-04-02_FOIA_Request_Feinstein_Letters.pdf

The Los Angeles Times article from May 8, 1999, referencing Senator Feinstein's May 5 letter is at ...

<https://www.latimes.com/archives/la-xpm-1999-may-08-me-35098-story.html>

My email clarifying the subject matter of the May 5 letter to be "cleanup standards," not funding for community health studies, is at ...

Please continue your search for the correct letter and Secretary Richardsn's response.

I would remind you that my original FOIA request was submitted April 2, 2024, almost sixteen months ago.

Sincerely,
