Mr. Rutherford,

Please see attached response to your FOIA request HQ-2024-01160-F.

\*Please note, among other things your FOIA request asks specifically for “Copy of the email/mail by which complainant was notified that the investigation had been closed.” We do not include emails that originated from or written by the requester in our response, however, if you would still like a copy of that email, please let me know and I will be happy to provide it to you.

Thank you,  
DOE OIG FOIA Team
